## JAYAWARDENE REGIME OF SRI LANKA AND THE ISRAELI CONNECTION

The Israeli presence in Sri Lanka paves the way for the Total take-over of the Island by the United States of America! Under the pretext of anti-terrorist training, the Israelis are being permanently planted to attack the Indian Sub-Continent's foremost Non-aligned stand in the World.

While thousands of Sinhala Buddhist Youths have found their livelihood under Arab-Islamic Hospitality in the Middle East; Fascist Jayawardene Regime has unashamedly brought Zionism into Sri Lankan Politics. This is an affront to Islamic susceptibilities and is in confrontation with the PLO in Sri Lanka and abroad.

All Islamic Organisations and the Opposition in the Sri Lankan Parliament have condemned this move as an escalation of State Terrorism. "The ruthless killing of the innocent Tamil Muslims by the Combined Israeli-Sri Lankan Armed Forces exposes that the Jayawardene regime has now openly joined hands with Ronald Reagan (& Begin) and Shamir in their anti-Islamic Crusade".

The Massacre of innocent Palestinian refugees in **Sabra Satla** in Lebanon and the daily killings of the Palestinians in the West Bank by the Fascist Zionists are fresh in our minds. This unholy alliance with the Fascist Jayawardene regime signals the Genocide of the Tamils in Sri Lanka; and an open military belligerence against India.

The **People's Liberation Organisation of Thamil Eelam (PLOTE)** condemns this Zionist-Fascist Sri Lankan collaboration against our Muslim Brethren. To take decisive action to protect the innocent people from further massacre we urge all Islamic Organisations and Governments to join us in destroying the emergence of this Evil in our midst.

Long Live Thamil Eelam!
