Dear Friends,

Enclosed is the Eye Witness Report of the Iruthayapuram Massacre on 19th. January 1986. We are hoping to bring out a series of Eye Witness Reports on Human Rights Violations in Sri Lanka as and when they are available to us to increase awareness and to evoke action to stop human rights violations in Sri Lanka.

We are pricing this copy as 20p. to cover the printing costs. Will you be able to help us to distribute these reports widely? You may obtain the reports in bulk and distribute them and recover the costs.

Thank you for your co-operation.

Yours sincerely,

V. Varadakumar.
