TO WHOM IT MAY CONCERN

This is to Certify that Mr. VIRAJ MENDIS is an active supporter of our campaign against the repression and Genocide of Tamils by the Government of Sri Lanka. Mr.Mendis has been participating in all our public activities since 1982.

I am very please to thank him on behalf of our campaign committee for his courage and honesty in supporting and participating in our activities. He is one of the few people from the majority Sinhalese community of Sri Lanka, supporting the Tamil's political struggle with courage despite the threat of IMPRISONMENT by the Sri Lankan government.

Mr, Mendis's participation in our public demonstrations are as follows:

1. Public March & Rally - August 1983
2. Black July Remembrance
March & Rally - July 1984
3. March & Rally - January 1985
4. Black July Remembrance
March & Rally - July 1985
5. March & Rally - September 1985

We sympathatically feels, if Mr. Mendis is returned to Sri Lanka at the present condition, he will be charged by the authorities for his open support to the Tamil's cause.
